## **GENERAL SALE TERMS**

**BREEDING GUARANTEE:** All cattle sell under the respective breeding terms recommended by their Association. Breeding exceptions would be through mishandign either obesity or under nourishment and illegal practices associated with showing the female. DNA: Breeders Alliance consignors retain at our expense the opportunity to obtain a DNA cell line for cloning purposes on all cattle selling in this sale. **TERMS:** The terms of the sale are cash or check payable to Breeders Alliance. Payment to be made to the clerk immediately following the sale and before the cattle are removed from the sale facility. Purchasers or their representative must sign the bill of sale prior to leaving the sale site. **INSURANCE** will be available at the settlement desk. **HEALTH:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date and cattle have been vaccinated. **REGISTRATION & TRANSFER:** All animals sell with completed pedigrees or applications for registration. **ANNOUNCEMENTS** made sale day will take precedence over printed material in this catalog. **LIABILITY:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending. **MAIL BIDS:** Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of Aegerter Marketing Services, Inc., a special representative, a sale consultant or a member of the sale consultants far enough in advance prior to sale day. They will be able to assist you at ringside on sale day. **BREEDING UPDATE/CALVING INFORMATION:** There will be added information available at the sale site that will list any additions to the catalog information on new breeding information that will occur after the printing of this catalog. Norman/ Ripberger will retain 1/3 embryo interest in their 2020 born heifers to sell. **AIR TRAVEL:** There are commercial flights to Indianapolis, Indiana and limited flights to Champaign, Illinois. There are private paved strips at Paris and Tuscola, Illinois.

- THEY SAY A PICTURE IS WORTH A THOUSAND WORDS!!! Sweetheart is a sleek fronted, gorgeous baldy, Built with Class!!!
- I love the way her neck comes high out the top of her shoulder, she blends perfectly from front to rear. Level in her design, Stands on big paws with plenty of bone. Big and sappy through her center body, athletic on the move, with a great disposition.
- This is the first set of ET calves out of her mother and to say we are excited about the future of this young Donor would be an understatement.
- Regardless of what segment of the industry you are in, when you lay eyes on Sweetheart, she is unforgettable. Retaining the right to two successful flushes at the new owners convenience.

- This blaze faced bombshell has been an easy standout since the day she was born. She comes high out of the top of her shoulder and is tight through her chest, all while still maintaining an exceptional amount of rib.
- This female is sound at the ground. Her structure is impeccable and never has a bad hair day!
- Simply put, this one is ELITE, and one of the best Purebred Simmentals to sell this fall.
- She's the best thing to happen in 2020 yet!

- We love how this heifer has matured. The fresher and leaner we keep her the better she gets. She is a female with incredible natural body shape, extra foot size, big hipped with added muscle shape and still maintains extra extension and look through her front one-third.
- Her dam, Conley Sandy 7084, is going to be a big part of the Simmental and Angus program for Sullivan Farms for years to come. During her show career she was selected as the Reserve Grand Champion Angus female at the 2018 NAILE open show.

- If you like to have cows that will make you money every year, take a good look at this female. After having some fun in the show ring with her you will also have some fun breeding her back to purebred Simmental bulls to make purebred females or Herd bulls and watch her make you a cash flow profit for years to come.
- She is a moderate framed female with great body depth, and elite structural correctness. She has a lot of the same traits that made her mother such a force during her decorative show career. 733E was the grand champion % Simmental at the 2018 American Royal and reserve at the 2018 NAILE. She stems from the famous "Honey" donor of Tim Schaeffer's.
- If you like to produce purebred Simmentals with look, body and perfect structure backed by proven genetics don't let this female pass you by!!

- You have to admire this female for her added foot size with extra substance of bone and added eye appeal with great natural body and then beyond that she is as structurally correct as you can make one.
- The 733E donor stems from the famous "Honey" donor of Tim Schaeffer's.
- This heifer's mother had her first set of ET calves for Sullivan Farms in 2020 and boy has she exceeded all expectations. We all know how important genetics are in the show cattle industry and the 733E donor is proving that she can produce with extra consistency and cattle of high quality.

- This heifer has as much potential as any heifer we have raised. She combines tremendous rib shape, mass and dimension with a beautiful front end. She has the look to win at any level and the pedigree to produce champions when she is done being one herself.
- The dam of this female was a dominate champion that enjoyed a successful show career where she was selected as the champion heifer calf at the Minnesota and Iowa State Fairs, Fourth Overall Champion and Champion Angus at the Badger Kickoff, Early Winter Heifer Calf Champion at the NWSS, Reserve Grand Champion Female at the Indiana Preview and Indiana State Fair Junior Show. Her grandmother is a full sister in blood to FCF SCC PVF Proven Queen 615 who was a dominate champion and went on to produce the 2016 NWSS Grand Champion, and is also the grandmother of the 2017 North American ROV Grand Champion Female, Topline FCF Proven Queen 161.

- Going back to the Forever Lady cow family, we purchased her granddam from the Lemenaries here in Illinois. Dameron First Class appears on both sides of her pedigree.
- The sire of 64H, Power Chip, adds grow and muscle shape into his calves. The cow power is behind Power Chip with Matrix, Midland, Right Time and the legendary Miss Wix family.
- She will demand your attention!
